Dear Sirs:

I recently received a copy of your "Report of The Council for Tobacco Research- 1988" and was quite impressed. I am a physician involved in cardiovascular research in the Pulmonary Division of the Department of Medicine at the University of Pennsylvania. Could you please send me information about and an application for a Tobacco Research Grant?

Thank you very much.

Very truly yours,

Steven M. Albelda, M.D.
Assistant Professor of Medicine
